What does SADfest mean to the band?:

Please explain why your band would like to play an event based around mental health. Be as detailed as possible. We want to know your personal experiences, how you think SADfest can help promote awareness and education, and anything else you believe would qualify your band to be a part of this event. You may send a separate document if you need more room.

What else can your band provide for SADfest?:

Besides playing, how else can your band be a part of this event? Does anyone in the band have experience hosting workshops? A personal experience you would like to share with others? Would you be willing to attend other workshops and encourage others to participate? Can you help promote and find sponsors? Let us know.

Did your band members attend SADfest last year? If yes, explain how you participated. If no, please explain why not.

By submitting this application, I understand that my band may or may not be approved to play at SADfest 2016. All applications must be submitted by February 24, 2016, and a response will be received via email by March 9, 2016. If our application is approved, I am aware that my band will be added to the event program and provided promotional material in which the band is expected to use to promote on social media and at performances. I understand that my band must be available to play at any time on May 14th and 15th, 2016. Since SADfest is a benefit event for non-profit organizations, I understand my band may not be compensated for its performance. I also agree that my band will not perform at any public event two weeks before or after May 14, 2016 within a 50 mile radius of the SADfest location. My signature on this application confirms that my band has agreed to abide by these requirements in order to play SADfest 2016.
